

EU-COST Action CopyTree Webinar Series

Tuesday, 11/11/2025
03:00-04:30 PM CEST

How to join the webinar?

Please register for the webinar via this link (or scan the qr code):

<https://thuenen.webex.com/weblink/register/rfc8ab30f7126b3bb50e2ce6b8dab8838>

Afterwards, you will receive an e-mail with a link to join the webinar session. You can switch the language of the registration form at the top of the website. The webinar will be held using the Webex video conferencing system. You can access with any web browser as well as the Webex app.

The webinar series will be continued in 2026!

I am therefore looking for volunteers who would like to contribute a 30 min presentation.
Some suggestions:

*Optimization of
rooting and
acclimatization*

*Endophytic
bacteria in trees*

*Strategies
against
hyperhydricity in
your cultures*

*Hormones and
other plant
growth regulators*

Trees and viruses

*Cryo-
preservation*

*Somaclonal
variation*

Contact

Questions or suggestions about the webinar? You would like to contribute?

Please send me an e-mail: tobias.bruegmann@thuenen.de

Dr. Tobias Bruegmann, Germany, CopyTree Webinar Coordinator

Please send
me an email!
